**AGREEMENT**

I am interested in receiving campaign services from the Thurston County Democrats. I understand and agree to abide by the following policies regarding the use of TCD campaign services and materials.

- Any mailings using the TCD bulk mailing permit shall abide by US Postal Services Rules and Regulations and TCD Privacy Procedures.
- During the primary election TCD mailing labels and/or the bulk mailing permit shall not be used for negative comparisons with other Democrats. None of these services may be shared with other candidates that have not been approved by the Campaign Services Committee and the TCD.
- Labels and lists maintained by TCD are the property of the TCD and as such they shall not be sold, traded, copied, or reproduced without the approval of the TCD Executive Committee.

Failure to abide by these rules or the TCD Code of Fair Campaign Practices may result in the revocation of TCD campaign services. The TCD may revoke any endorsement and/or approval for campaign services by a 2/3 vote of the members present at a TCD meeting.

I have read and understand the above policies and restrictions.
